today's bread:

*Let us not become vainglorious and self-conceited, competitive and challenging and provoking and irritating to one another, envying and being jealous of one another. Galatians 5:26*

today's jam:

I've heard it once said that the best way get where you want to go, is to be happy for those who are already there. If your journey seems long and endless, remember this... God knows where you are at, and believe that each day, He is making the path clearer to you.

today's prayer:

"Lord, help me to know that it's your strength that allows me to keep going when I feel like giving up. Please make me a blessing today, in a new way, so that you are magnified in my life... amen."

*Know someone who would appreciate this? Go ahead... forward this jam with to friend.*
