today's bread:

At that time, I will deal with all who oppressed you; I will rescue the lame and gather those who have been scattered. I will give them praise and honor in every land where they were put to shame. Zephaniah 3:19

today's jam:

With this past weekend's, horrific events in Mumbai, India, we are reminded of the presence of evil in this world. We grieve with those innocent victims as lives and families are changed by these senseless acts of terrorism. And even though, it looks like evil is having it's way, we hold firm to the promise that God will deal with evil in His own way.

today's prayer

starter:

Righteous Father, it is into your hands, we place this situation. We pray you will guide the authorities in bringing to justice, those who have had any part in this act of terrorism. More importantly, we pray that your love and mercy would be extended to all families and loved ones affected. Be with them Lord, in this time, and heal the broken hearted...

Know someone who would appreciate this? Go ahead... forward this jam to a friend.
