today's bread:

And God formed man from the dust of the ground, and breathed into his nostrils the breath of life, and the man became a living being. Genesis 2:7

today's jam:

It's amazing how God explains a complicated, mind-boggling subject, (the genesis of life), with a simple and subtle metaphor... breath. In the 20th chapter of John, the Lord breathes on his disciples, and says, "Receive the Holy Spirit". No coincidence here... this was huge! These guys were about to come alive, all because of the breath of God.

today's prayer starter:

Oh Master, I am forever in awe of your greatness. You knelt down, dirtied your hands, gathered the dust, formed my soul and with just one breath, you breathe life into me. How wondrously I am made... how awesome is your word... how real is your presence sustaining my life, from my inner most being...

Know someone who would appreciate this? Go ahead... forward this jam to a friend.
