today's bread:

***Since we have these promises, dear friends, let us purify ourselves from everything that contaminates body and spirit, perfecting holiness out of reverence for God.  
2 Corinthians 7:1***

today's jam:

**Stop washing yourself and see what happens... nobody wants to come close to you. Well, it's the same in the spirit. Now I know the righteousness of Christ covers our "filthy rag" self-righteousness, and of course it's true, He loves us unconditionally. But if we wash ourselves before we get close to each other, why wouldn't want to cleans ourselves before our King? If God's word is guiding us... if love is truly motivating us, then self re-evaluation of all our actions, our habits and daily rituals should be just as important as good personal hygiene.**

today's prayer starter:

**Heavenly Father, thank you for your grace, and your mercy shown to me, each day. Please show me the joy in seeking after your holiness, and give me the strength to live beyond the habits, the bad attitudes and daily rituals that only draw me further away from you...**

*Know someone who would appreciate this? Go ahead... forward this jam to a friend.*
