today's bread:

The law was added so that the trespass might increase. But where sin increased, grace increased all the more. Romans 5:20

today's jam:

Funny how our minds are so tuned to the negative in this world. We look at sin and evil... the ravages of Godlessness in the world, and take for granted the enemy's winning. Well, hold on... turn down the radio... shut off the boob tube... take a break from the talking heads with their front page panic attacks. God is still in control! And His grace is still at work, not matter how bad it seems.

today's prayer starter:

My God, I am once again reminded that no matter how bad it seems, the reality is... this is all part of a master plan where you ultimately show me how your wondrous grace makes a way. Because even though my eyes behold a grim picture before me, you are preparing a path for me, in the presence of my enemies...

Know someone who would appreciate this? Go ahead... forward this jam to a friend.
